## IT'S NOT HARD TO BELIEVE!

When you have super-popular heroes like Sonic, Tails and Knuckles in this world, it's not hard to believe that Archie Comics receives tons of fan mail for these legends. But I never would have dreamed that our offices would be literally overflowing with daily deliveries of hundreds of Sonic-Grams and Sonic Art letters!

Many fans request personal responses or ask if I can be their pen pal. While I certainly would love to be able to personally respond to every Sonic fan, it would be impossible -- I'd never get my editing work done and there would be no Sonic comics! Boo! However, I do read each and every letter and see every piece of art that is delivered, and they're all great. I really appreciate each and every response, question, comment, criticism and most of all... **praise!** As our way of saying thanks, we routinely send readers "**Sonic Extra**," a newsletter detailing all kinds of great Sonic info. In the meantime, if you would like to see your letter printed, my best advice would be to keep it short, tell me specifically what you liked and didn't like in recent stories and ask questions that have not been submitted to these pages.

In addition to this issue's great lead story, this comic also has two major distinctions. First, you finally get to enjoy the long-awaited Knuckles' solo story "**Sense of History**" **Part 1**. The debut of this astounding epic means you have only two months to wait for **Knuckles' mini-series!** Second, starting with this issue, all Sonic covers will now be colored by **Heroic Age!** YES! Oh, and did I forget to mention that starting back with issue #31, Spaz has been assigned the task of **regular cover artist?! JOY!**

Next issue, thrill to secrets of Sonic's **power rings** and Knuckles' eight-page mini-epic "**Sense of History**" **Part 2!**

Be there before Robotnik!

P.S. This month **Ellen Leonforte** makes her debut in the "**Adventures of Scott & Paul**." Ellen is the multi-talented staff artist who is responsible for the design and construction of most of our house ads, Archie's Club News and fan letters pages. Spaz and I regularly call upon Ellen to benefit from her superior knowledge of color to help bring you the most exciting Sonic comic colors in the world!

Dear Sonic,

Howzit goin', blue guy?! Yup! I'm writing again -- not to Knuckster but to the Sacred Spine! I have to talk to you about Bunnie, but first, I'd like to ask some questions. 1. Who played shortstop in Major League Yankees? Not!! Just kidding. Anyway, 1. Have we seen the last of E.V.E.? 2. Is there any possible way to get issues 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 20 and 22? Well, about Bunnie! I certainly agree with Peter Hogarth way back in #26! Bunnie Rabbit did not appear in lots of issues so, please take care of that. Thank you very much!!!

Your Sonic Jr.,  
Nathan Grapp  
Rochester, IN

Howzit goin', human guy?! Sonic here! 1. I'd rather not see E.V.E. again, but if enough fans write that they want her back, well...; 2. Check out the Sonic checklist in this issue and your favorite comic shop for back issues. Look for a Bunnie solo story in Sonic #37, with script and art by Rich Koslowski. Look for a two-part story in the near future with Bunnie at the forefront of the action by Gallagher and Spaz!

Dear Sonic,

I've written in many times and tried to get my stuff printed. And that led me to a question. Whatever happens to the hundreds of thousands of letters that get sent in? I mean I know how they get there

and someone does something with them, but what? Hopefully whoever reads this will want to answer me. And by the way, I'd really like to compliment Pat Spaziante's and Jon D'Agostino's artwork. All the artwork in these comics is great, but I especially like the realism they add. And if you don't print this, thanks anyway for reading it. Even though I didn't send any Sonic art in this letter, I'll be drawing and sending in more shortly.

Later,  
Roby Brown  
South Bend, Indiana

Hey, Roby, thanks for dropping me a line! Check out Scott's editorial box for the answer to your question!

Dear Espio,

You're cool when you disappear. Are you in a dungeon or somethin'? I mean, you were kidnapped by Archimedes, right? I want the untold issues of downunda and Chaotix. Here are some questions: 1) Will you get your own solo? 2) Do you eat bugs? 3) What is that hole in Mecha Sonic's stomach? See Ya!

Your number 1 fan,  
Sean Dickell  
Jonesboro, GA 30236

Yo', Sean, Espio here! 1) I will definitely be getting my own solo story in a future issue and look for me and the Chaotix in Knuckles' mini-series; 2) Yup, and don't say "yuck!"; 3) It's where the jet rockets fire to make him move fast!
